**SUMMER  
SEMESTER 2024**

### Summer GYMNASTICS class:

Every Tuesday\*: June 18-August 13

\* 8 weeks. \*No class July 23.

At the basic level, gymnastics is about developing physical fitness, agility, strength and flexibility. It is also FUN and will support your child's cognitive development (listening and following directions) and life skills (self-confidence, teamwork, responsibility, friendship and sportsmanship). Class includes stretching, strengthening, tumbling, vaulting, bar and balance beam. Nurturing the love of movement and motor skill development at an early age will help promote continued participation in physical activity and sports.
