## Winter/Spring Semester YOGA class:

*Every Monday\*: January 8-May 20*

- 19 weeks + video performance. \*No class March 25.

Through the use of music, stories, props and lots of yoga style games, children gain the benefits of yoga while hopefully developing a life-long love of the practice. Silly yoga sequences enhance concentration skills while developing motor co-ordination. Yoga games teach co-operative play and refine listening skills which are essential for success in school. Little yogis learn best through social interaction, repetition and play.

## Winter/Spring Semester DANCE class:

*Every Thursday\*: January 11-May 23*

- 19 weeks + video performance. \*No class March 28.

It's never too early to expose children to music and movement. Children love to move, pretend and create! We use these natural tendencies to gently introduce them to the world of dance. Our technique is based on the concept of Creative Dance and includes the Brain Dance. Children will learn stretching, large motor skills, pre-ballet and tap exercises, movement concepts and across the floor steps. Your child will develop self-expression, imagination, rhythm, confidence and poise.

**30 minute classes are for girls and boys ages 2-5, during school hours. Enroll at anytime!**  
Activities are presented in a FUN and SAFE manner, keeping with the current trends in our industry.
