Dance and Yoga Enrichment

**Winter/Spring
SEMESTER 2023**

Winter/Spring YOGA class:

Every Tuesday: January 3-May 16*

• 19 weeks + video performance TBA. *No class March 6.

Through the use of music, stories, props, instruments and lots of yoga style games, children gain the benefits of yoga while hopefully developing a life-long love of the practice. Silly yoga sequences enhance concentration skills while developing motor co-ordination. Yoga games teach co-operative play and refine listening skills which are essential for success in school. Thematic ideas such as peace, respect, gratitude & acceptance will be presented at an age appropriate level. Little yogis learn best through social interaction, repetition and play.

Winter/Spring DANCE class:

Every Friday: January 6-May 19*

• 19 weeks + video performance TBA. *No class March 10.

It's never too early to expose children to music and movement. Children love to move, pretend and create! We use these natural tendencies to gently introduce them to the world of dance. Our technique is based on the concept of Creative Dance and includes the Brain Dance. Children will learn stretching, large motor skills, pre-ballet and tap exercises, movement concepts and across the floor steps. Your child will develop self-expression, imagination, rhythm, confidence and poise.

35 minute classes are for girls and boys ages 2-5, during school hours. Enroll at anytime!
Activities are presented in a FUN and SAFE manner, keeping with the current trends in our industry.
